## **Itinerary:**

### **Day 1-2 Overnight flight to London, UK**

Transfer to the airport for your overnight flight to London. Transfer to the CRYSTAL SYMPHONY in Dover to begin your 12 night cruise.

### **Day 3-4 Amsterdam, Netherlands**

Amsterdam is nourished by a wealth of museums, concert halls, and avant-garde theater and dance venues. Its relaxed and tolerant attitudes draw those looking for a creative, anything-goes atmosphere.

Large numbers of beautiful tree-lined canals are bordered by streets with rows of narrow, gabled houses and 17th-century warehouses, making Amsterdam an architectural treasure trove. Amsterdam is much smaller in population (but no less interesting) than many European capitals. As a result, much of the city center can be comfortably explored on foot—or, if you want to look like a true local, by bicycle.

### **Day 5 At Sea**

Design your day exactly as you wish: pamper yourself at the Feng Shui-inspired Crystal Spa, walk on-water along our 360° Promenade Deck; enhance your computer skills at our Computer University@Sea or sneak away to watch recently-released movies in the Hollywood Theater.

### **Day 6 Copenhagen, Denmark**

Copenhagen, Denmark, is a city with historical charm and a contemporary style that feels effortless. It is an old merchants' town overlooking the entrance to the Baltic Sea with so many architectural treasures that it's known as the "City of Beautiful Spires." This socially progressive and tolerant metropolis manages to run efficiently yet feel relaxed. And given the Danes' highly tuned environmental awareness, Copenhagen can be enjoyed on foot or on a bicycle.

### **Day 7 At Sea**

Another opportunity to spend the day relaxing or being as busy as you'd like. The Symphony provides many options to keep you occupied!

### **Day 8 Helsinki, Finland**

Helsinki, Finland's capital, is one of Europe's most interesting and enjoyable cities. Visitors can stroll through any local park or square and will probably stumble upon an impressive piece of contemporary sculpture. Helsinki's sparkling nightlife and lively cafe culture add much to its travel appeal. Its terrace cafes are often packed with Finns and visitors alike.

### **Day 9, 10 & 11 St. Petersburg, Russian Federation**

St. Petersburg has had three names in less than 100 years, changes that mirror the shifting political winds of Mother Russia. The names of its places and people are a roll call of Russian history of the 19th and 20th centuries: the Winter Palace, the czars, Dostoyevsky, the Catherine Palace, Tchaikovsky, Lenin. As the former official—some still say cultural—capital, St. Petersburg is the most westernized of Russia's cities. Its grand architecture echoes the great cities of Europe, and there are seemingly endless museums full of staggering quantities of treasure. St. Petersburg sprawls along the banks of the Neva River and was once known as the Venice of the North for the many canals there.

### **Day 10 St. Petersburg, Russian Federation- (Optional Moscow in a Nutshell on a Day's Visit- Full Day)**

You may want to devote most of your time in Russia to St. Petersburg OR you may choose take an optional tour to visit Moscow today. Moscow the capital of Russia, is famous for the Kremlin grounds - a unique complex of architectural monuments surrounded by ancient red brick walls crowned with 19 towers. Walk around along the famous Red Square and enjoy Moscow metro where some of the stations are decorated like palaces.

### **Day 12 Tallinn, Estonia**

Tallinn, the capital of Estonia, is considered one of the best-preserved medieval cities in northern Europe. Its charming Old Town survived the Soviets, as well as the country's earlier occupations by the Danish and Swedish empires. Today, this city 115 miles NW of Tartu is an important port on the Gulf of Finland and a popular stop for cruise ships.

### **Day 13 Stockholm, Sweden**

Stockholm, Sweden, is a city of contrasts. Unspoiled architecture dating back centuries is complemented by the best in modern Scandinavian design. Stockholm's appreciation of its culture and heritage shows in its theaters, concert halls and galleries, which showcase a rich variety of artistic innovations. Stockholm is spectacular in summer with its almost 24 hours of daylight shimmering in the colors of green hills and brilliant blue water.

### **Day 14 Stockholm, Sweden**

Time to Say Goodbye to the CRYSTAL SYMPHONY. After an over-night on the ship, transfer to the Arlanda International Airport in Stockholm for your flight home. Hopefully you will have many fond memories of your time spent in this historic and inspiring part of our world!
