A Complimentary Windstar Destination Discovery Event In Bora Bora

Bora Bora is surrounded by a number of tiny islets called “motu” – small, pristine, secluded paradises that offer privacy, beauty and relaxing ambiance. You will spend the evening on one of these perfect Polynesian oases accompanied only by other Windstar guests. As has long been the tradition in Tahiti, you will be welcomed to the motu with a fragrant flower lei. Your private feast on the beach promises to be extraordinary. The menu has been carefully selected by Windstar’s executive chef and is sure to please and tantalize your palate. When your meal is complete and the stars begin to shine, the highlight of this enchanted evening will begin. Fire dancing has long been deeply embedded in the Polynesian culture as a way to send messages to the gods. Your fire dancing experts will be wearing traditional loincloths and will dazzle you with high-speed acrobatic moves, throwing flames so hot you’ll feel the warmth 10 feet away..
